more***

Why Join ISHA?

Strength in Numbers Requires Larger ISHA Membership

The mission of the Indiana Speech-Language-Hearing Association is to advance the professions of speech-language pathology and audiology through a **commitment to advocacy, professional development and public awareness.**

Commitment to Advocacy

- Advocate for individuals with communication and related disorders
- Works with ISHA members to establish guidelines and position statements
- Influences health and education legislation and regulations to benefit people with speech, language, and hearing, and related disorders
- Active monitoring of proposed bills with the potential to impact the practice of audiology and speech-language pathology
- ISHA lobbyist
- Stays abreast of legislative action within our state
- Notification in advance of pending changes so you can communicate with legislators
- Allows you to support a political action committee
- Participates in recruiting efforts to help deal with shortages

Professional Development

- Annual convention program that includes the latest research, treatments, and technologies for both speech-language pathologists and audiologists
- Fall conference with CEUs
- Membership made aware of continuing education opportunities
- ISHA Foundation Scholarships
- Professional friendships
- ISHA members are a great source of ideas & strategies

Public Awareness

- Informs the public about communication disorders and how speech-language pathologists and audiologists make a difference in the lives of those with communication disorders

ISHA allows you to give back in many ways that would be difficult to do on a personal level.

Join with your colleagues today!!

Together we can accomplish more for our profession in the state of Indiana!!
