Description	<p>We maintain a panel of qualified SLPs who perform examinations used in determining if an individual qualifies for Social Security Disability. We presently reimburse \$160 for each exam, but do not pay for “no shows”. Payment is made 60 days within receipt of the report/voucher, but is usually done much sooner. Exam reports are due within 3 calendar days of the encounter. Exams are usually 45 minutes to 1 hour; however you prefer to schedule them. We require that you to be a CCC SLP, have a valid current license in Indiana, and perform evaluations in an ADA compliant office. We prefer that you see all ages. A secure encrypted website is utilized to notify you of exam referrals, which are scheduled at least 14 days in advance. We do “eternity block scheduling” on a yearly basis. That means you agree to do exams on the same day of the week at the same times each week (for example every Monday and Wednesday at 4,5, and 6).</p> <p>If you would like to pursue this opportunity we will first need your CV (resume) and a copy of your current license. Once we receive those, we will send you additional paper work to be completed. We are excited about the possibility of having you join our team and I look forward to speaking with you in the future. Please do not hesitate to contact us if you have any questions!</p>
